REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior art of record does not specifically disclose or remotely suggest:

the performance of search engine requests for web page content using one or more identifiers; augmented with domain name registration availability determination of a domain name generated from the identifiers.

A review of claims 28 - 43, in view of the Examiner's arguments, indicates that claims 28 - 43 are allowable over the prior art of record.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

OATH AND DECLARATION

3. Applicant must submit a **new**, fully complete, and signed oath and declaration.

The citizenship box is blank (oath and declaration paper on 6/21/2000).

U.S. Patent Applications are erroneously listed under the section claiming the benefit under 35 USC 119(e) (oath and declaration paper on 6/21/2000). Only United States provisional applications should be listed in this section.
